## IMMEDIATE PRESS RELEASE

The Guam Department of Agriculture's Division of Aquatic & Wildlife Resources (DAWR) Hunter Education Program is announcing the annual "Pork in the Park Cook-off", now named the "Field to Fork Cook-off"; the event will take place on May 3, 2019 at the Department's compound in Mangilao. Taste testing will coincide with the Department's annual May Harvest Festival located on Dairy Road. Tasting samples will be provided from 11:00 am to 1:00 pm, while supplies last.

Chefs and teams who wish to participate in the Cook-Off may sign up at the Department of Agriculture's DAWR office in Mangilao or call Peggy Denney at 483-9415. There are "Pit" and "Pot" categories for the Cook-Off with prizes for the best dish in each category. The Cook-Off brings awareness to the community on safe hunting and cooking practices as well as tasting wild caught meat on Guam. There will be a Guam Hunter Education Program educational display at the event to learn about firearm safety. The Field to Fork Cook-Off is a free event and the public is encouraged to come and enjoy the different "Pit" and "Pot" dishes prepared from wild pigs.

Should you have any questions, you may contact the DAWR office, at 735-3981.
